

REMARKS

Applicants kindly request the amendment to Specification be entered. The first amendment adds the priority claim. Applicants are also amending pages 1, 7, and 9 of the Specification to replace the word "und" with "and". This is an inadvertent error in translation of the priority document. No new matter is being added.

Applicants are also amending the Claims. Applicants are amending Claims 1, 14-16, 24, 28, and 29 to bring these claims into compliance with U.S. practice and to replace the word "und" to "and" in Claims 1, 14-16, and 24. Claims 30 – 33 are being cancelled. Support for new Claims 34-46 can be found throughout the Application, and specifically on pages 14-18, 28-29, and 41-43. Applicants submit that no new matter is being introduced.
